

Little Chef Food Craft

Materials Needed:

- ✓ White Paper
- ✓ Colored Construction Paper (optional)
- ✓ Crayons, Colored Pencils, OR Markers
- ✓ Scissors
- ✓ Plate

OR

- ✓ Play Food
- ✓ Plate

Steps:

1. Draw a picture of some of your favorite foods (modified- print fruit coloring pages)

2. Color in your drawings, or use colored construction paper.

3. Cut out your pictures.

4. Put your pictures of the food onto a plate and serve it to someone in your house!

If you have play food, follow the steps below:

1. Find some play food around your house.
2. Put it on a plate and serve it to someone in your house!

Additional Skill Practice:

Here are some additional skills you can work on with your kiddo related to this craft:

- **Identifying colors:** identifying the various colors of the materials used for this project (examples: paper, crayons, play food, etc.)
- **Motor imitation:** Show your kiddo how to complete the next step and have them imitate the step. (examples: drawing, coloring, cutting, etc.)
- **Categories:** Ask your kiddo "what are these?" (fruit). Intermix pictures of nonfruit and ask your kiddo to hand you the fruit.
