

Make a Megaphone

Materials Needed:

- ✓ A large plastic or paper cup
- ✓ Markers
- ✓ Paints
- ✓ Paint brush
- ✓ Stickers
- ✓ Scissors (or box cutter)

Steps:

1. Have adult cut the bottom of the cup out so you can see through it.

2. Paint the cup with whatever colors you like. Let it dry completely.

3. Add your designs with markers or stickers!

Additional Skill Practice:

Here are some additional skills you can work on with your kiddo related to this craft:

- Greetings – practice saying “hello!” Now try saying hello in different languages. [“Ni hao” (Chinese), “Hola” (Spanish), “Bonjour” (French), “Privet” (Russian), “Marhabaan” (Arabic)]
- Loud vs. quiet – use the megaphone to make your voice louder and quieter.
