

Popsicle Bookmark

Materials Needed:

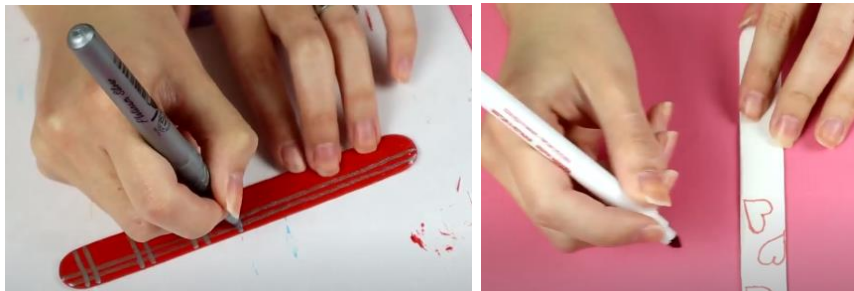

- ✓ Paint brush
- ✓ Paint colors of your choice
- ✓ Popsicle stick
- ✓ Markers

Steps:

1. Paint one side of the popsicle stick with desired color, wait to dry then paint the other side. Wait to dry.

2. Use markers, stickers, or different colored paint to decorate your bookmark.

Additional Skill Practice:

Here are some additional skills you can work on with your kiddo related to this craft:

- Handwriting – write your name on one side of the bookmark so everyone knows it's yours!
- Pattern – try making a fun pattern on your bookmark. You can do stripes, polka dots, or create an AB pattern with alternating shapes.
- Reading – try out your new bookmark by reading a book (or having an adult read to you) and use the bookmark to mark what page you leave off on when you want to take a break.
