

Binoculars

Materials Needed:

- ✓ 2 toilet paper rolls
- ✓ String, ribbon or yarn
- ✓ Glue or tape
- ✓ Scissors
- ✓ Hand hole puncher or a pencil
- ✓ Paint/markers or stickers-optional

Steps:

1. Optional: have the kids paint or color the two toilet paper rolls

2. Poke a hole through each toilet paper roll
3. Cut the ribbon to the desired length
4. Next string it through both the holes

5. Tie the ends to keep it in place
6. Tape or glue the two toilet paper rolls together to keep them in place

7. Can add stickers or whatever design you want

8. All done! Go out and go explore

Additional Skill Practice:

Here are some additional skills you can work on with your kiddo related to this craft:

- Asking "what color is it?" for the paint or markers if used
- Ask "What do you see?" when the child is looking at items
- Make a game out of it and play "I Spy" with the binoculars
