

To the North Pole

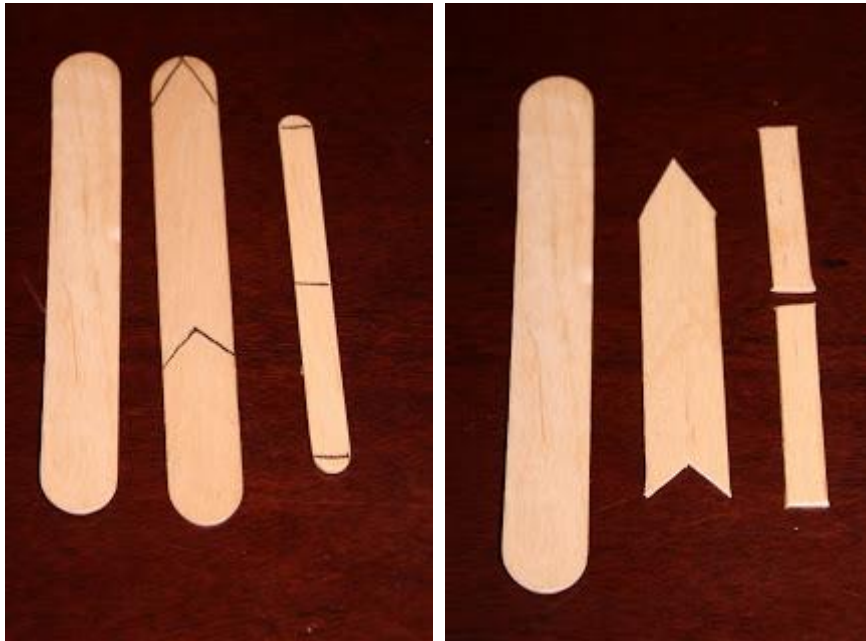

Materials Needed:

- ✓ A paint brush
- ✓ 2 tongue depressors
- ✓ A popsicle stick
- ✓ Marker
- ✓ Scissors
- ✓ String or pipe cleaner
- ✓ glue

Steps:

1. Following the picture, the parent should cut one tongue depressor and popsicle stick as shown.

2. Next have your child paint everything white, allow to dry then paint on red stripes on the uncut tongue depressor.

3. Next with a marker write "North Pole" on the large arrow piece.

4. On the two smaller Popsicle pieces, write home on one, then school or daycare or Grammy's house etc. on the 2nd one. Add the distance to get there and an arrow showing which direction to go.

5. Pipe cleaners or string can be glue onto the back to hang the ornament.

Additional Skill Practice:

Here are some additional skills you can work on with your kiddo related to this craft:

- Directions
- Color Identification
- Hand writing
