

HIGH FIVE *Current accomplishments*

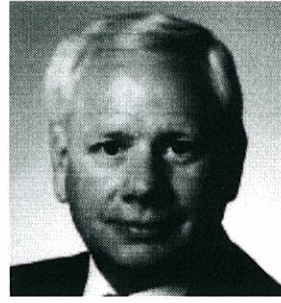

NORA CAMPBELL
Occupation Sales manager of Maryland Science Center
Home Baltimore
Achievement Campbell has joined the Maryland Science Center as sales manager. In her new position, Campbell will be responsible for the Maryland Science Center's tour and travel sales, as well as group sales. In addition, she will act as liaison to the hospitality community.

JOHN A. WOLF
Occupation Chairman and chief executive officer of Ober/Kaler
Home Baltimore
Achievement Wolf was recently elected chairman of the board of directors of Business Volunteer Unlimited Maryland. He is also a board member of the Downtown Partnership of Baltimore, Maryland Mentoring Partnership, Union Memorial Hospital, the Marshall Foundation and Washington & Lee University, where he earned his bachelor's and law degrees.

HELEN SHAFER
Occupation Founder of The Shafer Center for Early Intervention
Location Reisterstown
Achievement The Shafer Center for Early Intervention moved its program and special services to a 7,000-square-foot space at 132 Business Center Drive off Main Street in Reisterstown. The Shafer Center, a program for children ages 2 to 7 on the autism spectrum, provides the tools to increase speech, social and cognitive development. This fall, 60 children will attend the center for a variety of programming.

GARY ANDERSON
Occupation Family wealth planning specialist
Home Baltimore
Achievement Anderson was recently hired to join Glass Jacobson's team of expert investment advisers, insurance specialists and financial planners. Anderson specializes in total family wealth planning and focuses on innovative estate planning, retirement planning, executive compensation planning and sophisticated insurance solutions.

JONNIE HALLMAN
Occupation Student at Maryland Institute College of Art
Home Baltimore
Achievement Hallman was a winner in the 8th Annual Adobe Design Achievement Awards in the Designer/Developer Collaboration category. Hallman won for entry titled "DestroyFlicker," which explores alternative methods for viewing and sharing Flickr content. The awards honor promising design students from renowned educational institutions around the globe.

Carpal Tunnel Syndrome?

Powerful New Treatment Available!

Maryland: A new FREE REPORT reveals information that proves you may not even need surgery after all! If you have been told that you have Carpal Tunnel Syndrome (CTS) then reading this article may be the most important thing you've done all year. Find out how **FDA Cleared Cold Laser Therapy** can get rid of your agonizing pain for good! Cold Laser Therapy is a **non-surgical**, drugless, and best of all—**painless** procedure that has an amazing **76% success rate** when treating Carpal Tunnel Syndrome (CTS). Studies show Cold Laser Therapy actually heals the cause of the problem in the wrist, thus giving you long-term results. If you are tired of the drugs and splints and are trying to avoid surgery (even if you have already had surgery), then you owe it to yourself to find out more information on how you can get your life back!

For Your FREE Confidential Report, simply call **1-888-508-3519**.
 Please Mention Promotional Code **EC-01**
 (Toll-free 24-Hour Recorded Message), and your report will be mailed immediately.
