

(The 12)

This checklist will help guide you so that you can make an informed decision regarding your child's programing when visiting The Shafer Center for Early Intervention or any other schools and covers topic relevant to programs, staffing, facilities and parent communication. This checklist does not cover basic health and safety standards that all licensed programs must meet as these vary by state.

Be sure to inquire about the topics below during your visits.

|--|----------|----------|
| General Questions | | |
| What is the philosophy of the program? What is their mission? | | |
| What is the program's goal for my child? What are their outcomes? | | |
| Is the program geared toward working with children on the autism spectrum? | | |
| Does the program offer customize programming to meet each child's specific needs? | | |
| Does the program offer flexibility and opportunities for programming in different location, different hours of the day, evenings, and or weekends? | | |
| Is the program a 12-month program? | | |
| What is the program's policy on handling problem behaviors? | | |
| Does my child need to be potty trained before starting at the program? | | |
| What is the transition process going into the school and what it is leaving? How is my child supported? | | |
| Is the program multi-disciplinary and how is this demonstrated? | | |
| Programs | | |
| Is your program MSDE approved? | | |
| How do you provide customized/individualized programming to meet each child's needs? | | |
| Does the program continue to be innovative being enhancing and developing new programming? | | |
| What grades do you serve? | | |
| What is the student to teacher ratio? | | |
| Does the program have the following: | | |
| One on One Instruction | | |
| Pre-school, elementary classrooms | | |
| Small group learning experiences | | |
| Applied Behavior Analysis/Verbal Behavior | | |
| Speech Language Pathology | | |
| Occupational Therapy | | |

| | Center 1 | Center 2 |
|---|----------|----------|
| Physical Therapy | | |
| Behavior Intervention monitored by a BCBA-D (Board Certified Behavioral Analyst Doctoral level) or BCBA (Board Certified Behavioral Analyst) | | |
| Consultation | | |
| Home Programming | | |
| School Aides | | |
| Life Skills – in school, home and community | | |
| Camps | | |
| Will the program offer to assist me in potty training my child? | | |
| Do the programs focus on the following and how? | | |
| Communication and language | | |
| Social skills | | |
| Imaginative play | | |
| Academics | | |
| Self management | | |
| Life skills | | |
| How will my child's individual goals be outlined and progress towards those be monitored? | | |
| Does learning occur in multiple settings and what are those settings? How much time is spent in these multiple settings daily? (classes, small group, individual) | | |
| Are speech language and occupational therapy services integrated into the classroom daily? How? | | |
| Curriculum | | |
| Is the curriculum research based? | | |
| Does the program adhere to one specific teaching philosophy or do they employ a variety of philosophies in their approach to education? | | |
| Is the curriculum multi-sensory? | | |
| Does the curriculum provide opportunities for children to explore topics in detail and in multiple ways? | | |
| Does the curriculum take into account the various learning styles and language ability of the children? | | |
| Does the program emphasize school readiness skills, such as phonemic awareness, reading comprehensions, phonics, vocabulary, writing and math? | | |

| | A C | Center 1 | Center 2 |
|---|-----|----------|----------|
| Do the programs follow a routine and is it the same for each child? | | | |
| Is the activity and lesson objective posted and is the teacher following it? | | | |
| Who develops the curriculum and what is their educational background? | | | |
| Does the curriculum address the whole child's strengths and needs? How does that happen? | | | |
| Learning tools | | | |
| Does the program offer or use picture schedules? | | | |
| What teaching techniques does the program utilize? For example: | | | |
| Discrete trials | | | |
| Handwriting without Tears | | | |
| HANEN | | | |
| Orton Guilligham | | | |
| PECS | | | |
| PROMPT | | | |
| Seeing Stars | | | |
| Sensory Diets | | | |
| Sensory Integration | | | |
| SUPPORT | | | |
| Talkies | | | |
| TEACCH | | | |
| Touch Math | | | |
| Touch Money | | | |
| Touch Time | | | |
| Visualizing and Verbalizing | | | |
| Personalization | | | |
| Does the program have a standardized behavior plan or do they measure and analyze each child's behavior to meet their individual needs? | | | |
| How often does the staff meet and discuss the progress of each child? | | | |
| Is my child matched strictly by age or by strengths and needs? | | | |

| | Center | Center 2 |
|--|--------|----------|
| How is the one to one program individualized? | | |
| How does the program keep up with my child's rate of learning? | | |
| How are skills learned in one setting maintained and generalized to others? | | |
| How is the data and data tracking personalized to meet my child's needs? | | |
| How individualized are my child's goals? About how many would they have? | | |
| How often is data being tracked on my child's goals? | | |
| Is data taken on skills you want to see increased as well as problem behaviors you want to see decreased? | | |
| How do I know that the data is reliable? | | |
| Staff | | |
| What is the educational background of the Director? Does he/she have extensive experience/ education in early education and development? What is the highest level of education/degree acquired? This is very important as the Director sets the tone, standards, guidance and input on curriculum, teaching styles, and discipline. | | |
| What are the qualifications for the staff members working with my child? (mastered special educator, mastered speech language pathologist, board certified behavior analyst, board certified associate behavior analyst, mastered occupational therapist) | | |
| How much training does the staff receive before working with a child and in what areas? | | |
| How much staff training occurs throughout the year? | | |
| What is the staff turn over rate? | | |
| How is staff monitored to ensure program fidelity? | | |
| How many children does a BCBA in your program oversee? | | |
| Parents and Communication | | |
| Are there opportunities to be part of the school community and what are they? | | |
| How often do I meet with my child's teachers or team? | | |
| Do you allow parents to observe and what is the process? | | |
| Will my child see me while I am observing or is there a separate location where I can observe? | | |
| Do you offer parent trainings? | | |
| Do you have opportunities for my family to experience field trips, school performances, and other activities? | | |
| If there are issues at home would the program allow for home visits? | | |
| Are their daily and or weekly progress notes sent home to parents? | | |

| Do you have calendar and event information on your website? | | |
|---|--|--|
| Can the parents contact the staff via email and phone? | | |
| Learning Environment & Facility | | |
| Is it a caring and supportive environment? How? | | |
| Is the learning environment free from distractions? (example – too much stuff on the walls, too loud, loud bells) | | |
| Do you see smiling faces on the children and the staff? | | |
| How often would my child go outside? | | |
| How secure is the facility? | | |
| What happens when outdoor recess is cancelled? | | |
| Are the toys developmentally appropriate? | | |
| Is my child supervised at all times? | | |
| How often is the building cleaned? | | |
| Are allergy diets followed? | | |
| Is the facility peanut or nut free? | | |
