

Home-Made Angry Birds Game:

Materials Needed:

- ✓ Toilet paper rolls and/or paper towel rolls
- ✓ Green & brown paint
- ✓ Paintbrushes
- ✓ Optional: googly eyes
- ✓ Scissors
- ✓ Q tips
- ✓ Sharpie marker
- ✓ Hair elastic / rubber band

Steps:

1. Cut one roll into 3 equal parts. Paint it green inside and out. Let dry, then add a nose onto it.

2. Use a Q-tip to paint white circles onto the green roll, to make the pig's eyes.

3. When the paint is dry, add pupils, eyebrows and a mouth.

4. Paint the rest of the tubes brown, inside and out. Flatten each one, first one way and then the other. This is so that the tubes can easily stack on top of each other.

5. Use some soft and fuzzy hair elastics to shoot at the pigs to knock them down! Make each level more difficult than the one before!

Additional Skill Practice:

Here are some additional skills you can work on with your kiddo related to this craft:

- Animal sounds (pig, bird, etc.)
- Color ID
- Expressive language skills- have them identify what animal the green rolls are depicting
- Shape ID
