

## Things That Make Noise (Guitar)

### Materials Needed:

- ✓ Paper Towel Tube
- ✓ Cereal box or shoe box
- ✓ Rubber Bands
- ✓ Tape
- ✓ Scissors

### Steps:

1. Get a cereal box and tape open end of the box closed.

2. Cut out a circle in the middle of the box

3. Cut a X at the top of the box (the spot where the tape is)

4. Put the paper towel tube through the top of the hole and give the tube 4 slits. (As shown in picture)

5. Tape around the paper towel pipe to make sure that is secure

6. Grab to 3 to 4 rubber bands and stretch the around box from top to bottom.

(You can decorate the box and the paper towel pipe to make it more individualized☺)

**Additional Skill Practice:**

Here are some additional skills you can work on with your kiddo related to this craft:

- Sounds
- Imitation
- Counting
- Colors
