

## Lady Bug

### Materials Needed:

- ✓ Red and black paper (and just a little bit of white)
- ✓ Scissors
- ✓ Glue
- ✓ Black marker

### Steps:

1. Cut a circle out of red paper
2. Cut about 10 strips of red paper

3. Cut out 10 (about) small dots from black paper
4. Cut a half circle of black paper for the face
5. Cut 2 small pieces of black paper for antennae
6. Cut out 2 small white circles (modified- precut the pieces of paper)
7. Draw 2 black dots inside the white circles for eyes

8. Take 1 strip of red paper and glue the ends to the red circle

9. Take another strip of red paper and glue the ends to other side of the red circle

10. Repeat x8 (or as desired to make the lady bug more full)

11. Glue the eyes onto the face

12. Glue both antennas to the top of the face

13. Glue the face to the body

14. Glue black dots to the body

**Additional Skill Practice:**

Here are some additional skills you can work on with your kiddo related to this craft:

- Count the dots on the lady bug
- Color labeling, point and ask "what color?" OR ask them to touch a color
