

## ABC 123

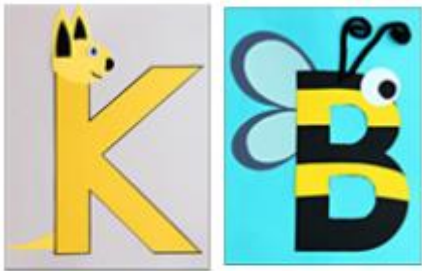

**Materials Needed:**

- ✓ Paper
- ✓ Markers or crayons
- ✓ Googly eyes (optional)
- ✓ Scissors
- ✓ Glue

**Steps:**

1. Help your child identify the first letter in their first and last name

2. Cut the letters out using colored paper (or have your child color a white piece of paper then cut the letter out)

3. Glue the letter onto a piece of paper

4. Add decorations to the letter to match the pictures above

5. Talk about the letter sounds and what words start with that letter.

**Additional Skill Practice:**

Here are some additional skills you can work on with your kiddo related to this craft:

- Colors, alphabet, labeling, art, cutting
