

Super Silly Faces

Materials Needed:

- ✓ A Piece of Paper
- ✓ Cardboard (You could also use a paper plate since they are thicker)
- ✓ Sharpie
- ✓ Scissors
- ✓ Glue/Tape
- ✓ A Popsicle Stick (you can also use a pencil)

Steps:

1. Cut a shape out that will be big enough to cover your mouth.

2. Cut a shape a little bit bigger in your cardboard.

3. Draw your silly face on the piece of paper.

4. Glue or tape your piece of paper to the cardboard.

5. Tape your new silly mouth to your popsicle stick or pencil.

6. Have a photoshoot with your silly face!!

Additional Skill Practice:

Here are some additional skills you can work on with your kiddo related to this craft:

- Cutting
- Taping/gluing
- Fine motor skills
