

## Melted Snowman

### **Materials Needed:**

- ✓ Construction paper in white, orange, black, blue, and brown
- ✓ Tape/glue
- ✓ Scissors

### **Steps:**

1. Cut out squares from the white construction paper. Glue the white squares all over the blue construction paper.

2. Cut out small circles from the black construction paper. Then cut out larger black circles for the eyes. Glue the black circles in the shape of a face, on top of the white squares.

3. Cut out a triangle from the orange paper then cut out two rectangles from the brown paper. Glue all three pieces to your melted snowman.

4. Here is your melted snowman! Remember, you can follow these directions or you can put your pieces in any way on the paper. He's a melted snowman, so the choice is yours!

**Additional Skill Practice:**

Here are some additional skills you can work on with your kiddo related to this craft:

- Fine motor skills
- Color recognition
- Following directions
- Cutting
- Shapes
- Creativity
