

Make a George Washington Head

Materials Needed:

- ✓ Construction Paper- Red, White & Blue
- ✓ Paper Plate
- ✓ Cotton Balls
- ✓ Scissors
- ✓ Glue
- ✓ Googly Eyes
- ✓ Marker
- ✓ Yellow, Peach, Off White colored pencil or crayon

Steps:

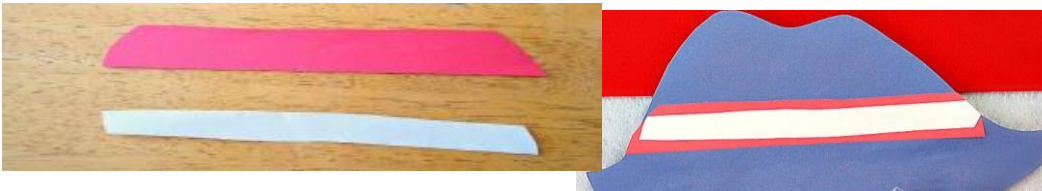

1. Start by coloring the whole paper plate using the skin toned colored pencil or crayon that you chose.

2. Draw and cut a "boat" shaped hat from the blue construction paper.

3. Cut a thin red and white strip and glue this onto the blue hat as the "belt" hat decoration

4. Cut a thin, crescent or half-moon shape from the red construction paper for Washington's mouth.

5. Next, glue everything into place on the paper plate including the googly eyes. Use a marker to make a small nose.

Additional Skill Practice:

Here are some additional skills you can work on with your kiddo related to this craft:

- Color identification
- Shape identification
- Fine Motor skills
