

## Jack Jumped Over a Candlestick Craft

### **Materials Needed:**

- ✓ Construction paper (yellow/orange for flame, any other color for the candle)
- ✓ Paper plate
- ✓ Scissors
- ✓ Tape
- ✓ Pencil/pen

### **Steps:**

1. Roll one piece of construction paper into a tube, and secure it with a piece of tape.

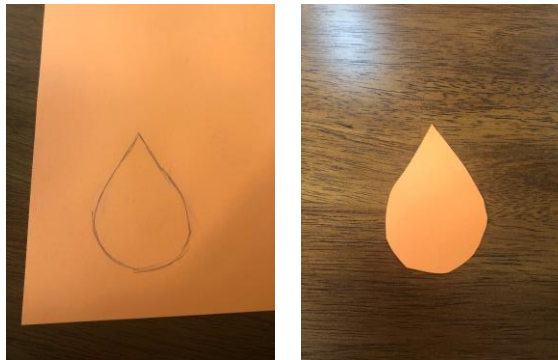

2. Cut four slits in the bottom of one end of the tube about two inches long.

3. Fold the tabs out and tape the candlestick to the paper plate.

4. Draw a flame shape on orange/yellow construction paper and cut out.

5. Tape the flame on the inside of the top of the candlestick.

### **Additional Skill Practice:**

Here are some additional skills you can work on with your kiddo related to this craft:

- Color identification
- Shape identification
- Expressive/receptive identification
- Receptive commands – “jump/run/walk/skip/etc. around the candlestick”
- Prepositions – “Stand next to/in front of/ behind/etc. the candlestick”
