

Make an American Flag

Materials Needed:

- ✓ Popsicle sticks (8 regular size)
- ✓ Jumbo popsicle stick
- ✓ Washable kids paint (red, white)
- ✓ Foam paintbrush
- ✓ Card stock (blue, white)
- ✓ Star hand punch or star stickers
- ✓ Hot glue gun
- ✓ Craft scissors
- ✓ Glue stick

Steps:

1. Paint 4 popsicle sticks white and 4 popsicle sticks red. Let dry.

2. While the popsicle sticks are drying, cut out a small rectangle out of the blue card stock (about 1" x 1.5").

3. Using the star hand punch or star stickers, get several stars and put them on blue paper.

4. Once the Popsicle sticks are dry, glue them using the hot glue gun to the jumbo popsicle stick. **THIS STEP IS FOR ADULTS ONLY.**(or you can try to use regular Elmer's glue)

5. Glue the blue rectangle with stars to the upper left corner of the flag.

Additional Skill Practice:

Here are some additional skills you can work on with your kiddo related to this craft:

- Color identification
- Shape identification
- Directions (horizontal, vertical)
