

Paper Cheese and Mouse

Materials Needed:

- ✓ Mouse, Head, and Paw Template (full mouse at the bottom)
- ✓ Crayons, Coloring Pencils or Markers
- ✓ Large Paper Plate
- ✓ Yellow Construction or Tissue paper
- ✓ Black Construction Paper
- ✓ Glue

Steps:

1. Color the mouse and cut out the mouse any color you like. (Mouse picture at bottom of page).

2. Grab your paper plate and scissors. Cut the paper plate into a triangle for the "cheese".

3. Next, take your yellow tissue paper and cut it into small squares.

4. Now take your paper plate, put a good amount of glue all over it, and add the yellow tissue paper.

5. Cut out some "holes" (3) for the cheese from the black construction paper and glue them on the cheese.

6. Glue the mouse pieces in place on the decorated paper plate. The head on the back and the paws towards the front, holding the cheese.

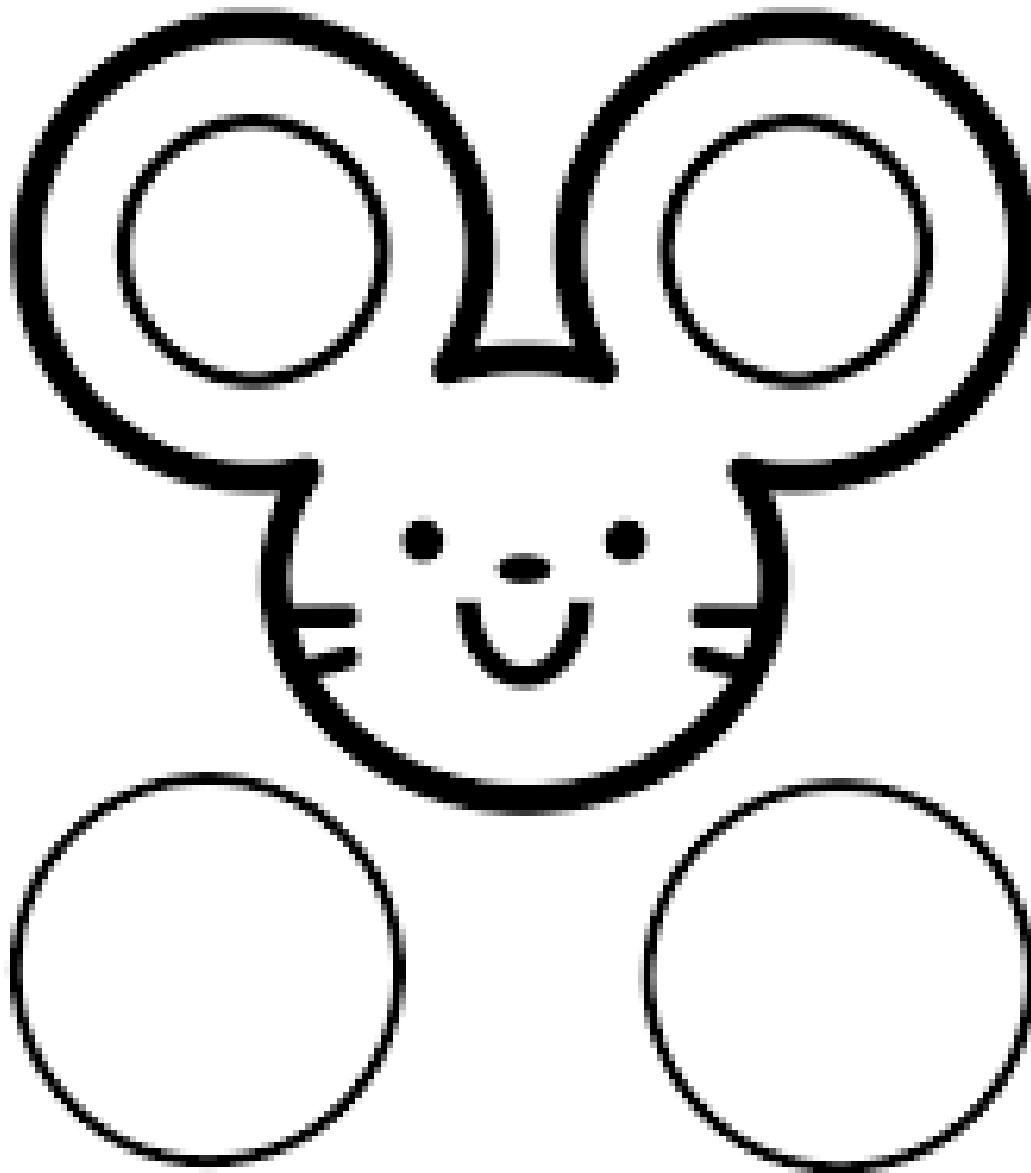

Additional Skill Practice:

Here are some additional skills you can work on with your kiddo related to this craft:

- Color identification
- Shape identification
- Fine Motor Skills
