

## Paper Pet Plates - Rabbit

### **Materials Needed:**

- ✓ White Paper Plates (One Per Project)
- ✓ Paint (grey/orange/black/brown)
- ✓ Googly eyes (or painted eyes)
- ✓ Scissors
- ✓ Glue
- ✓ Pipe-Cleaner
- ✓ Colored Construction paper (black/pink/orange/white)

### **Steps:**

1. Paint the front side of the paper plate grey.

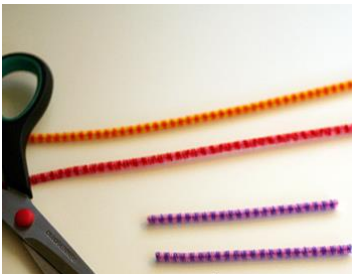

2. Cut out two long triangles in white and two smaller triangles in pink and stack the pink triangle over the white triangle x2 to make ears.

3. Glue the ears facing towards you to the top of the back of the paper plate.

4. Cut pipe-cleaner into 6 equal pieces for whiskers.

5. Glue on 6 pipe-cleaners in center of plate for whiskers, then pink pompom for nose on top of whiskers.

6. Paint on black dots for eyes above nose.

**Additional Skill Practice:**

Here are some additional skills you can work on with your kiddo related to this craft:

- Color identification
- Expressive/ receptive identification
- Order Sequence
- Gross motor skill – Cutting, gluing, painting
