

## Perfect Valentine's Card Craft

### **Materials Needed:**

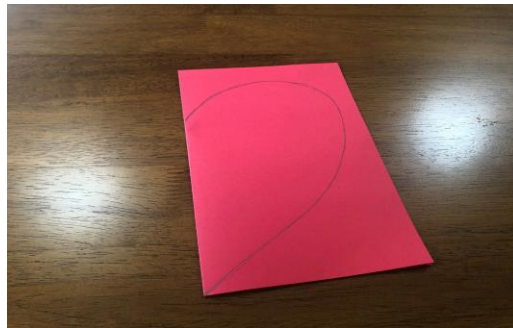

- ✓ Red construction paper
- ✓ Scissors
- ✓ Pencil/crayon
- ✓ Decorations! (can use crayons, paint, stickers, pom-poms, or anything else you want to get creative and make some truly unique valentines!)

### **Steps:**

1. Pick someone you care about to make a valentine for. It can be a family member, a friend, or even for yourself.
2. Ask your Valentine what their favorite activity is. Remember this! We will be using it to decorate later.
3. Fold one piece of red construction paper in half

4. Use a pencil/ crayon to draw half of a heart along the folded edge.

5. Cut along the line and unfold.

6. Decorate! Try to include your valentine's favorite activity to make it perfect for them.

7. Share the love and deliver your perfect valentine to the person you care about.

**Additional Skill Practice:**

Here are some additional skills you can work on with your kiddo related to this craft:

- Color identification
- Shape identification
- Expressive/ receptive identification
- Same vs different – ask more people what their favorite activity is. Does everyone like the same thing or are they different?
