

Colors of the Rainbow

Materials Needed:

- ✓ Paper plate
- ✓ Red, blue, and yellow paints
- ✓ Paintbrush
- ✓ Scissors
- ✓ Glue
- ✓ Blue paper
- ✓ Cotton balls

Steps:

1. Cut a paper plate in half.

2. Paint the top of the plate red.

3. Paint the middle of the plate yellow.

4. Paint the bottom of the plate blue. Make sure to leave room for a little bit of red!

5. Use a clean brush to mix the two colors together at a time.

6. Set aside to dry.
7. Once completely dry, glue your rainbow to a blue piece of paper and add cotton ball "clouds" to each end!

Additional Skill Practice:

Here are some additional skills you can work on with your kiddo related to this craft:

- 1:1 Counting – count the colors you made
- Color identification – what colors do you see?
- Sensory play – paint using your fingers instead of a brush
