

## Give Yourself Stripes

### Materials Needed:

- ✓ A CD
- ✓ Flashlight

### Steps:

1. Have adult hold CD in one hand and flashlight in the other.

2. Shine flashlight directly onto CD. Then angle the flashlight until you see a reflection on the wall.

3. Angle the CD to shine onto wall and child's face to make rainbows!

### Additional Skill Practice:

Here are some additional skills you can work on with your kiddo related to this craft:

- Color Identification – what color stripes do you see?
- Fine Motor – put stripes on different objects around the room by changing the angle of the CD
- Expressive identification – what does the CD make when you shine a light on it?
