

Hatching Chicks

Materials Needed:

- ✓ Egg Carton
- ✓ Big, yellow pom-poms
- ✓ Orange paper
- ✓ Googly eyes
- ✓ Scissors
- ✓ Glue
- ✓ Paint (optional)

Steps:

1. Cut out two sections of an egg carton and cut out small triangles along the top to make it look like a cracked eggshell. You can paint/decorate your eggshells if you want!

2. Draw a small diamond on orange paper. Cut it out and fold it in half for the beak. Glue googly eyes and the beak onto a big, yellow pom-pom.

3. Glue the pom-pom inside one of the egg carton sections and glue the second one on top of the pom-pom.

4. Repeat steps #1-3 as many times as you would like to create more hatching chicks!

Additional Skill Practice:

Here are some additional skills you can work on with your kiddo related to this craft:

- Animal sounds – what sound does a chick make?
- Imaginative play – move around and peep like a newly hatched chick. Make sure to stretch your wings!
