

Teatime Tea

Materials Needed:

- ✓ Teacups/cups/mugs
- ✓ Preferred juice
- ✓ Water
- ✓ Tea Pot (or main container for mixture)
- ✓ Food coloring (optional)
- ✓ Stove pot
- ✓ Fruit garnish

For this activity a parent must be present for safety reason. Children should never be left alone when cooking.

Steps:

1. Pick your favorite juice and your teatime cups!
2. Fill up pot ½ water and ½ juice.
3. Add 2 drops of food coloring.
4. Mix!
5. Bring mixture to a light simmer.
6. Transfer mixture to "Tea Pot"
7. Slice preferred fruit to garnish the tea.
8. Serve during your teatime!

Additional Skill Practice:

Here are some additional skills you can work on with your kiddo related to this craft:

- Imaginative Play – have a tea party! Invite your family to attend the party, or have some of your favorite toys be your "guests."
- Conversation skills – practice saying hello to your tea party guests, and ask "how are you?"
- Vocational skills – help set up the tea cups and help your adult clean up when you're done.
