

## Paper Plate Dinosaur

### **Materials Needed:**

- ✓ Paper plate
- ✓ Paint
- ✓ Paint brush
- ✓ Clothes pins
- ✓ Paper
- ✓ Glue
- ✓ Googly eyes

### **Steps:**

1. Start by cutting the paper plate in half.

2. Decide what color body you want your dinosaur to have and paint one of the 1/2 plate pieces. Paint two corresponding clothespins for each dinosaur you want to make.

3. Once your dinosaur's body is dry, use it as a template for drawing your dinosaur's spikes, head, and tail.

4. Glue your head, tail, and spikes to the backside of the paper plate. Add the googly eyes and a smile to the dinosaur's head. Put the clips on the bottom to be your dinosaur's legs!

**Additional Skill Practice:**

Here are some additional skills you can work on with your kiddo related to this craft:

- Shape Identification– identify the different shapes of the dinosaur
- Colors Identification- name the colors of the dinosaur
- Labeling – point to the different body parts of the dinosaur
