

Jellyfish

Materials Needed:

- ✓ Cupcake liner or coffee filter
- ✓ Marker
- ✓ Ribbon/ streamers (at least two different colors)
- ✓ Scissors
- ✓ Tape

Steps:

1. Turn the cupcake liner upside down and use a marker to draw eyes on your jellyfish.

2. Use scissors to cut your ribbon into four or five equal parts.

3. Tape the ends of each ribbon to the inside center of the jellyfish.

4. Now enjoy your jellyfish!

Additional Skill Practice:

Here are some additional skills you can work on with your kiddo related to this craft:

- Practice measurement concepts like "long," "short," and "equal."
- Practice counting with the number of ribbons made
