

Shark Tissue Box Craft

Materials Needed:

- ✓ Tissue box
- ✓ Gray paint (any color works!)
- ✓ Paintbrush
- ✓ Black marker
- ✓ White paper
- ✓ Small piece of cardboard (construction paper works!)
- ✓ Scissors
- ✓ Tape (glue works too!)

Steps:

1. Begin by painting all sides of the tissue box gray.

2. Draw a tailfin, two smaller side fins, and one top fin on your piece(s) of cardboard, then cut these pieces out.
3. When the paint is dry, attach all fins to the tissue box.

4. If you used tape, go ahead and paint the tape the same color as your shark.

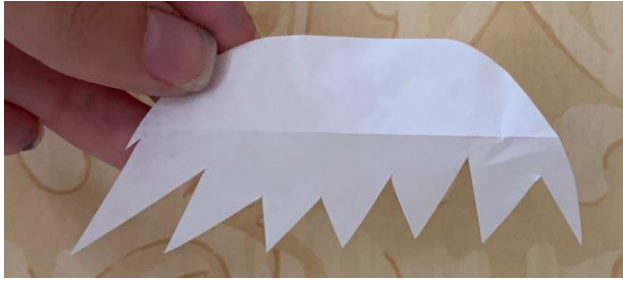

5.

6. Do the same to the tail

7. Grab your white paper and cut out teeth for the top and bottom of the sharks mouth

8. Tape or glue them on around the hole of the tissue box and draw on the eyes

9. You're done!

Additional Skill Practice:

Here are some additional skills you can work on with your kiddo related to this craft:

- Identifying colors
- Identifying common objects
- Identifying shapes
