

## Make your own Animal Track Stamps!

### Materials Needed:

- Rectangular piece of paper or cardboard
- Scissors
- Glue
- Sponges
- Paint
- White paper

### Steps:

1. Search online for tracks you want to copy! Here is a good list:

2. **Cut two pieces of paper / cardboard into 4x4 inch pieces or larger.**
3. **With supervision, cut out the shape of the tracks from the sponges. it may help to trace on top of the sponges first with a pen / marker.**

4. **Glue the sponge cutouts onto the cardboard / paper**
5. **Once dry, dip your new stamp in paint and leave tracks on a sheet of paper.**

6. **Write down which tracks belong to which animal after you finish!**

### **Additional Skill Practice:**

Here are some additional skills you can work on with your kiddo related to this craft:

- Identify shapes that you see
- Count the number of toes on each type of foot print
- Act like each animal on your list
