

A Celebration of Polar Bears

Materials Needed:

- ✓ Cardboard
- ✓ Pencil
- ✓ Markers and/or paint
- ✓ Scissors
- ✓ Glue

Steps:

1. Print out the template and cut out the polar bear outlines. Trace the outlines onto a piece of cardboard and cut out.
 - a. Make sure to trace two copies of each leg so your polar bear can stand

2. Glue the legs onto both sides of the polar bear bodies.

3. To help make your bears stand better, wedge a small piece of cardboard between the top of each leg and the body.

4. Decorate your "celebration" of polar bears!

Additional Skill Practice:

Here are some additional skills you can work on with your kiddo related to this craft:

- Imaginative play skills with the family of polar bears
- Imitation skills – move and roar like a polar bear and have your kiddo do the same
